

Have you ever wondered if the one-off workshops that you conduct as part of your employee engagement programs are really creating the awareness and impact that they are intended to?

Or are these engagements just a tick on your check list?

A FIRST OF ITS KIND “NON-ACADEMIC” HYBRID EDUCATIONAL PLATFORM

FOCUS ON MENTAL HEALTH, LIFE SKILLS, PARENTING & SUSTAINABILITY

Our Vision

BUILDING AN INSPIRED COMMUNITY OF CHANGE CATALYSTS

Transforming mindsets through activities, interactions and support

Tapping into individual potential to drive long-term societal change

ENGAGEMENTS ONLINE AND @ EDUCATIONAL INSTITUTIONS, CORPORATES, ACTIVITY CENTERS & GATED COMMUNITIES

The Urgency for Change – Why Now?

Rise in stress levels at workplace

Misgivings around remote work environment ?

Issues with Inclusivity at workplace

Disruption in collaboration amongst team members

Resource- Workload Imbalance

Concerned parents @ workplace

Lack of human interaction at workplace

The list goes on...

Leading to

Low productivity

High iteration amongst employees

Work- Life balance affected

Job insecurity

Lack of ownership amongst employees

...The future depends on how we act today.

Hoopsters – A Movement, Not Just a Program

A Platform for Purpose-Driven Engagement

Hoopsters is more than just about a series of workshops—it’s a **sustained movement** to empower individuals and communities. We drive **real impact** in civic consciousness, mental health awareness, sustainability, and personal development through engaging challenges and structured programs. We are all about providing **the right resources, the right engagements, the right programs and the right environment.**

OUR COMMUNITIES

Hoopsters – A Movement, Not Just a Program

Workshops and Engagement Activities

Our structured workshops ensure that learning extends beyond a one-time session, fostering habit formation, practical application, and long-term impact.

Purpose driven Institutional engagements

Redefining co curriculum at schools & employee engagement programs at corporates

A platform to share personal journeys and achievements

We all have stories to share. Stories that we want to share. Stories that can motivate others. We have platforms, both online and offline, to help help people to do this.

Building empathy and Civic responsibilities

Sensitize individuals towards the world around them through our engagements. Prepare them to be inclusive and ideal citizens.

Ready for today...prepared for the future

Financial planning, self-care, and career growth , communication & leadership skills for all age groups.

Specialized Support

Counselling by reliable experts. Tailored sessions specific sections of the society.

Hoopsters – A Movement, Not Just a Program

Contests and challenges

Participate in various hoopsters' ACTION HERO contests and engagements that are all about bringing about a change in oneself and the world around them.

Special invitations

Webinars on relevant topics. Events at hoopsters. Peer network meets. Special activities by our collaborators. Inter-institution competitions

Access to experts*

Connect with our various reliable domain experts for information, intervention and support. We have a network of some of the most qualified and reliable experts from across various domains.

Scholarships for the deserving

Our League of Action Heroes Scholarship challenge helps provide scholarships to those who cannot afford education. This is not a charity but a reward for being a change catalyst.

Surveys

Bring forth facts and statistics through our various surveys on Digital Addiction, What parents want etc.
